

Sample Resolution

Pursuant to EC Section 56836.05(b), El Dorado Charter SELPA has the authority to develop an allocation plan to define the distribution of special education funds to charters within the SELPA.

The El Dorado Charter SELPA has approved an allocation plan (May 2015, with further updates in September 2015) that provides for the distribution of funds to each Charter LEA in the SELPA. A charter is defined as having a separate CDS code.

The allocation plan further authorizes a CMO, a Non-Profit Corporation serving more than one charter school, or a JPA may desire to change the distribution of state and federal funding to charter LEAs within their authority. These changes to the funding distribution are finalized at the end of the fiscal year upon submission of the approved resolution. The resolution must be approved by the board of the CMO, Non-Profit Corporation, or JPA. The impacted charter school LEA boards must also approve.
