Don't fret! In the midst of a national crisis we want to remain positive. So here's some good news... We have you covered at no cost! Try ReadySetConnect, a secure and HIPAA compliant therapy online software for Educators and Pediatric Clinicians. Here are 3 important things the platform can do for you:

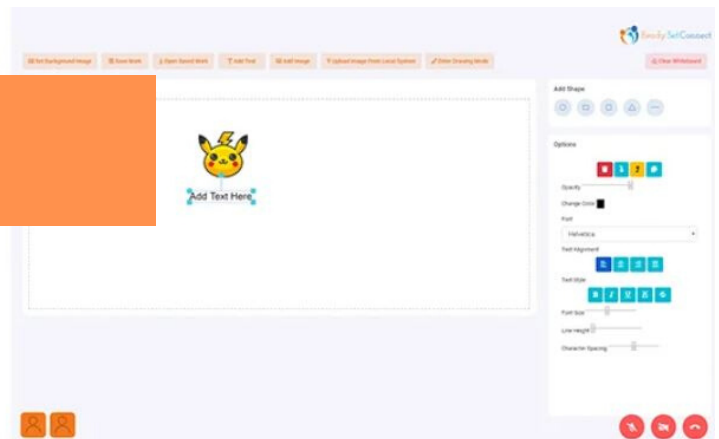

1. TELEHEALTH VIDEO

Easy 1-click video link and you're all set! Engage in live interactions from anywhere.

2. WHITEBOARD

Fun and intuitive whiteboard for presentations, drawing, and file sharing. Best of all, you can save your work from the whiteboard.

3. TRACK PROGRESS

Hello Digital World, goodbye pen and paper!! Quicker way to track progress as you take session notes and goals!
