

# 2020-21 CHARTER SELPA PROFESSIONAL LEARNING NETWORK MEETINGS

## PARTICIPANTS

A Professional Learning Network (PLN) Representative has direct oversight over the day-to-day special education operations of the charter school. The representative is designated by the CEO for each charter LEA member. Organizational partners who operate more than one charter school may have a single representative for all schools. Participation by charter LEAs at Professional Learning Network (PLN) Meetings is strongly encouraged.

## MEETING INFORMATION

In an effort to support local professional learning networks and needs, we have regionalized PLN meetings. PLN meetings are offered in Sacramento, Bay Area, Los Angeles, and San Diego. The SELPA encourages physical attendance at these meetings. There will also be online PLN meetings throughout the year.
