SELPA UPDATES
• Currently, all SELPAs are required to develop a Local Plan.

• As of July 1, 2020, all SELPA’s must use a uniform Local Plan template developed by CDE.

• CDE is currently in the process of finalizing some portions of the template.

• The uniform template is meant to make the Local Plan more user-friendly for stakeholders.

• Our SELPA is in the process of transferring out current Local Plan to the new templates as they are made available.

• The Local Plan update will be presented to our governance council tomorrow.
Thank You!!!
