The El Dorado Charter SELPA’s Community Advisory Committee is a dynamic, collaborative partnership comprised of educators, parents/guardians, and community members.

- Build relationships and increase communication between schools, parents/guardians, and related agencies.
- Learn about resources and supports within the school and community.
- Increase awareness of students with disabilities within special education.

CAC meetings are open to parents, family members, educators, agency representatives, and community members interested in supporting children with special needs.
