

California Dyslexia Initiative

Professional Learning Bundle

On-Demand Courses

The California Dyslexia Initiative presents a free, state-wide professional learning bundle for California educators offered in partnership by the Sacramento County Office of Education and Glean Education. This professional learning opportunity is focused on building awareness and capacity to support struggling readers and students at risk for or with dyslexia throughout the state.

Enrollment

Enroll in the bundle with the link below and take one, two, or all three courses!

<https://courses.gleaneducation.com/bundles/CDI>

Certificates/CEUs

Receive certificates upon completion. Participants who complete all three courses are eligible to purchase one Continuing Education Unit (CEU) from Dominican University of California. Contact info@gleaneducation.com with questions.

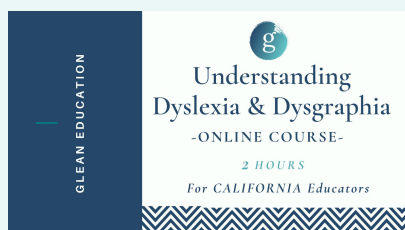

Dates

Enroll between:

October 1, 2023 - January 21, 2024

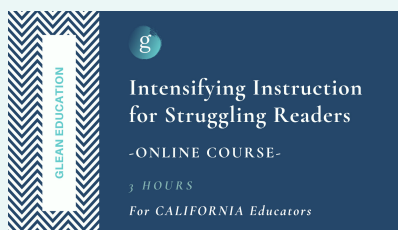

Participants have until **October 1, 2024** to complete the coursework.

Courses Offered by Glean Education

Understanding Dyslexia & Dysgraphia for California Educators 2 Hours

This course will build educator knowledge to understand, identify, and support students with dyslexia in their classroom.

Intensifying Instruction for Struggling Readers for California Educators 3 Hours

This course will build educator knowledge in intensifying instruction to support struggling readers within an MTSS framework.

Serving Students with Dyslexia for California School Psychologists 5 Hours

This course will build knowledge for School Psychologists, School Leaders, and Special Education teachers on understanding how to collaborate as parts of a data team and support students with dyslexia and dysgraphia through the evaluation process for special education eligibility.

Ensuring High Quality Professional Development

NASP Approved! California School Psychologists who complete all three courses are eligible for ten (10) NASP CPDs.
